

## **2023 Orchard Lane Events Farmers Market Rules & Regulations**

---

All vendors must sell their products inside their space designated by the manager. This will provide all sellers an opportunity to attract buyers. All sellers must clean up their area and remove their own refuse.

All vendors must provide their own equipment and supplies. Scales used at point of sale must be approved and sealed by the Greene County Auditor. It is suggested that items be sold by count or volume if not by weight.

Each seller must price their own product(s). Sellers should try to price their own product at a fair market value. All product prices must be visible to customers.

The Market Manager will assign spaces to vendors. If you are unable to attend a market notify the Market Manager by the Monday prior to market day. The Market Manager's contact info is: Tammy Mandrell at (937) 736-0655, or OrchardLaneEvents@gmail.com. If you fail to notify the Market Manager after 2 times, you are at risk of losing your assigned spot.

Pets are permitted but need to be on a leash at all times due to safety and liability concerns. We reserve the right to ask you to remove an aggressive pet.

B&C Hospitality Group, LLC dba Orchard Lane Events and their managers shall not be liable for any accidents at the Farmers Market location or for any claims from consumers in regard to items purchased at the markets. Vendors are strongly encouraged to obtain the necessary liability insurance to cover such incidents.

The Market Manager retains the right to ask a vendor not to return if they are in violation of the rules and/or Code of Conduct. The vendor may take this dispute to the Market Manager for resolution. Other grievances or problems also may be directed to the owner of Orchard Lane Events.

All new vendors must be approved by the Market Manager. The Manager reserves the right to move vendor's booth locations on an as-needed basis.

All vendors must be set up 15 minutes before the start of the market and may not tear down until after the market closes.
